

old north church SUMMER 2019

SUNDAYS

All summer Sunday school classes run June 9 - August 25

THE "I AM" STATEMENTS OF JESUS CHRIST | 9:15AM

There has always been confusion on the identity of Christ. This class will work through the "I AM" statements that Christ made through the book of John to clarify both His true identity and purpose.

- Room AY126 | Led by Todd Olson

A STUDY OF WORLD RELIGIONS | 11AM

This class will work through the many religions that all claim to possess the path to true enlightenment or salvation. Those who attend will be equipped with knowledge and practical tools to speak to the insufficiency of these religions while highlighting the beauty of Christian Faith and practice.

- Room AY128 | Led by Ed Havaich

STANDING FIRM IN TIMES OF TESTING | WOMEN | 9:15AM

Peter's words to the early church are tremendously helpful to today's Christians in this unChristian society. This women's study will focus on our true citizenship as children of Almighty God living out His purposes in this fallen world.

- Room AY128 | Led by Joann Marlier

18.23 | 9:15AM | Every Sunday May - August

If you are 18-23 years old, join us!

- Room AY125 | Led by Kyle Hoffsmith

WEDNESDAYS

WHO WILL BE KING 6:30-7:45 PM | June & July | We know that the Sunday morning sermon is supposed to dwell with us throughout the week. This summer, we want to grow in our efforts towards this. We will gather each week and break into small groups to discuss the previous Sunday's sermon. This will be a time to discuss and pray about the way God wants us to respond to His Word.
