OTHER OPPORTUNITIES

BIBLE GROUPS

Various middle school Bible groups (consisting of 2–3 students with 1 leader) meet to share and discuss each week's Bible reading passage. These groups will last an entire semester and meet for 20–30 minutes at the church around our weekly gatherings. If your student is interested and your family schedule is flexible, contact Pastor Si to find a time and leader to commit to in this next level of discipleship.

ANXIETY SEMINAR

Many students and adults struggle with anxiety. On October 2nd from 9–12 we will be hosting a seminar on how to deal with anxiety from a biblical perspective. There will be a series of workshops held by Jonathon Holmes from Fieldstone Counseling. We are encouraging parents to attend this to better help their student with anxiety, and confront it for themselves. Childcare will be provided.

Sign ups will be open September 5th online at oldnorthchurch.org

PARENT CONNECT MEETINGS

These meetings function similar to a parent-teacher conference in school. The parent(s) will meet with Pastor Si or Olivia to discuss your student's overall well being, spiritual growth, and his or her youth group experience! You spend more time with your student than we ever will, and it is a privilege for us to partner with you to help your student know the Lord. Feel free to reach out if you would like more information.
