STUDENTS

Middle School Ministry

T E A C H I N G

On Sundays, we will be following the teaching direction of the entire church that will go through the study of the gospel pathway **2 Ways to Live**. We will be challenging (and rewarding) our students to memorize this together! After we finish this, we will have a brief series leading up to Christmas on **Isaiah 9:6** to explore Jesus as Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace.

On Wednesdays, we will go through **misunderstood Bible verses** (such as Jeremiah 29:11 and Philippians 4:13) and a Bible Project series on **How to Read the Bible**. We will have our 5-6th graders taught separately from our 7-8th to aid in applying God's Word to their lives.

We believe some of the greatest ways to disciple our students is through God's Word and through a partnership with parents. Our Bible Groups and Parent Connect seek to accomplish this. Our **Bible Groups** consists of 2-3 students meeting with a leader on a weekly basis to read and study the Bible. **Parent Connects** are like parent teacher conferences where we discuss your child(s) overall well-being, spiritual growth, and church involvement. Head to the student page on our website by scanning the QR code to learn more about and register for either of these opportunities.

With God's Word being the center of everything we do, we want to encourage further memorization and involvement in the studying of God's Word in the lives of our students. *Starting this September*, middle school students will be able to earn tickets that can ultimately be used to save up to \$100 off our trip to Camp Burton in the summer. Students can earn tickets through memory verses, memory challenges, note taking, and other ways that encourage involvement in the life of the church. Parents will receive a regular email with an earnings report as we help track their progress towards camp. Other rewards are available, but ideally students can use their involvement through the year to point them towards camp.
