PARENT CONNECT

These meetings function similarly to parent-teacher conferences in school. The parent(s) will meet with Pastor Si to discuss your student's overall well-being, spiritual growth, and his or her youth group experience! You spend more time with your student than we ever will, and it is a privilege for us to partner with you to help your student know the Lord.

SIGN UP!

BIBLE GROUPS

Sundays between services, or Wednesdays before, students can sign up to participate in an in-depth bible reading and accountability group.
